#### **Historical Movies**

##### **Roster**

**September 19**

*Amy Hickey*

*Sunny Oxley*

*Riley Wilson*

**October 10**

*Barrie Rogers*

*Daniel Rogers*

*Matthew Rogers*

### **Principal's Report from Julian**

Welcome to our final newsletter for the term. Whilst every term feels like it flies by, I think that this is the busiest term I have experienced in my enjoyable 19 terms here so far. It has been flat out! That continues tomorrow with your Parent Teacher Interviews. These are extremely valuable, so I hope you enjoy the opportunity to understand where your child is at with their learning and be an active part of it.

It was a highlight for me to have supported our secondary students to host the Air Ambulance Thank You Luncheon last week. Due to the high participation and extensive generosity of so many people, the event raised \$4456.00. This will ensure that the NSW Air Ambulance Service knows that the island truly appreciates the great work that they do here. A highlight for me was Charlotte's speech. Whilst I wish that I, not a 12 year old girl had written this line, I wanted to repeat it for you... "So many of us are proud of how unique our home is. But this uniqueness brings with it a vulnerability which means we sometimes need to rely on others to help us, and that is why we must thank the air ambulance service!" Well done Charlotte and well done everyone!!

I will be in Sydney next week interviewing for the new K-2 teacher. I'll be back in time to share our **second assembly for the term and our school community sausage sizzle at Cobys Corner next Friday**. Please join us before we all enjoy a sensational but safe school holiday. Thanks to P&C I don't doubt that we'll all be better tennis players by **Monday, October 8 when we all return** (No School Development Day in Term 4) for a massive eleven week term to finish the year. Cheers, *Julian*

**Athletics Carnival:** We survived another wet and windy Athletics Carnival due to the action being so hot. Gower started and finished things in style winning the Marching Trophy before also claiming the House Championship. Well done Ryan and Keyah for setting new school records in the discus but the individual champions for each group were:

*Midgets - Hayley McFadyen (Laini Mostert)*  
- William Nulty (Harry Kerr)

*Minors - Ryan Galloway (Angus W & Louis R)*

*Juniors - Monique Thompson (Ruby Dixon Crisp)*  
- Ethan Lamb Kelly (Nicholas Wills)

*Seniors - Daniel Rogers (Sunny Oxley)*  
- Katelyn McGrath

*Secondary - Keyah Crisp (Teb Crisp)*  
- Charlotte Tofaeono (Gina Krick)

**After School Sport - Soccer:** After School Sport will conclude next Wednesday. As Harry shows below, the spirit of the competition has been spectacular. The Vanilla Slices withstood a tough challenge last week to remain the only team still unbeaten. Come on down to see if they can hang on and win the grand prize of a pat on the back and a hearty handshake!

**The Clash of the Continents:** The Clash of the Continents finishes Friday. *Tomorrow is the Cultural Morning Tea. Students are simply asked to bring in recess (just for themselves) which represents their continent.* After 32 of the 35 events, Australia has a narrow lead over Asia, but all teams have done so well.

**Interest Groups:** Interest Groups for 2012 finish today. Thanks again to our volunteers. The feedback I have is that students really

enjoyed the opportunity to work with someone different doing different things.

**Bees:** The clover is out in force and the bees are back. We're keen for students to play beyond our school playground so are encouraging them all to wear shoes during breaks, but this is their final responsibility.

**Gold Day and Assembly #2:** The Gold Day and assembly for Term 3 is on Friday, September 21. Students will be visiting the Waste Management Facility for a tour before heading over to *Coby's Corner*. The assembly will start at 12pm before *everyone is invited to stay with us after the assembly and have a sausage sandwich for lunch.* Students will then enjoy a range of recreational opportunities from the golf course to the beach. Bring it on!

**P&C:** The September meeting for P&C will take place on Monday, October 15 at 7:30pm in the school library. Hope to see you there!

Have a wonderful holiday! Cheers,  
Leanne, Matt & Julian
