Athletics Carnival - What a warm sunny day for our annual Athletics Carnival last Wednesday. Lidgebird started things in style winning the Marching Trophy. Thank you Bill Monks for coming down and judging this event. The friendly competition and spirit continued with the running races from the secondary's to the preschoolers. The cheering and support was loud and clear as there were more parents and friends than students at the carnival. The action continued with the field events. We have a short slideshow on our School Facebook page showing the kids participating in the high jump, long jump, discus and shot put. It is well worth a look and demonstrates the determination and attitude of all the kids 'having a go'. The day finished with fantastic novelty events. Thank you to all the teachers for your enthusiasm and support of the day. An extra big thank you to Ms Roberts for organizing and leading the day so successfully. Congratulations to Gower for claiming the House Championship. Well done Sebastian for setting a new record in the discus and also to Ryan who managed to equal the record for High Jump. The day was full achievements for everyone.

The individual champions for each group were:

Midgets- Hayley McFadyen (Lucinda Tofaeono)

Midgets – Jackson O'Hehir (Sebastian Sia)

Minors – Jake Wrighty (William Nulty)

Juniors - Ryan Galloway (Ethan Lamb-Kelly)

Seniors – Riley Wilson

Secondary - Keyah Crisp (Gina - Emily McGrath)

Play Equipment Area - The LHI Board organized and delivered several loads of sand last Saturday so we could refresh the sand in the playground equipment area. Thank you Kelly Galloway and Katie Dignam for organising this (at no cost to the school). Thank you to the many parents that dug in and helped move the sand into the area during the school working bee. We have (behind the library) a pile of left over sand that is available for free. Please help yourself and leave the area tidy.

Open Day – Two weeks ago we celebrated Open Day with awards, singing and a special school slideshow celebrating some of the fantastic things that happen at our school. This was followed up by visits in the classrooms for the rest of the afternoon. Please check out our photos on the School Facebook page. Thank you to all the families that were able to come.

Historical Movies – Just a reminder that an updated roster list for the Historical Movies came home with last week's newsletter. Please check when you are rostered on as we had to make a few changes. The bulb for the movie projector in the hall is starting to show a few minor faults. We are in the process of trying to sort this out asap.

Navy visit - Unfortunately the Navy had to cancel their visit last week due to poor weather conditions. This meant the planned visit aboard the ship and the afternoon tea had been cancelled. Fingers crossed we will get this opportunity in the future. Thank you to the parents involved who support this opportunity for the school.

After School Soccer – What a fantastic opportunity and experience this has been for our community. Today's final game completes the three week round robin competition. Thank you to Mr Nulty for organising and leading the After School Soccer. It has been fantastic and enjoyed by everyone involved.

Excursion – Mr Nulty and the 5/6's will be heading off on Sunday for 8 days of incredible hands on learning on the mainland. There are many amazing experiences planned and we can't wait for the report when they get back. Please join us at the airport to farewell our seniors and Mr Nulty.

Hills – The Hills are leaving us tomorrow. We wish them all the best on their new adventure. Good luck Charley in your new Kindergarten class.

Thanks Judy, Matt & Trev

From K-2R

Welcome back to Natalie, who has had a wonderful time visiting family and friends over in Malaysia. We have enjoyed listening to all her adventures about her trip and looking at her photos of the beautiful dogs that she spent many hours playing with.

We are heading off to the airport on Thursday to farewell Charley Hill and her family. Even though we will be very sad that we won't have Charley in our class anymore we will be looking forward to the photos of her new classmates and hearing about how she has settled into her new school. Good luck to the Hill's family. We will all miss you but hope you enjoy your new life on the mainland.

The students have been very busy writing their information reports about themselves. We have finished our "What I could do as a baby" and "What I could do as a Toddler" posters and now we are starting to write about "What I can do Now" reports. Please call into the classroom and have a look at the children's work. They are very interesting and the children are very proud of their achievements.

Looking forward to another exciting couple of weeks of term

Judy
