A warm welcome back to students, staff and parents. We kicked off our Interest groups today with old fashion board games, cooking and craft. The kids had a blast. We are holding our library help day this Friday, between 11.30 and 1pm. Please drop in. We will have tea, coffee and treats available. Children welcome.

We will be celebrating Education Week in week 3 with Open Day on Monday, 28th July. Everyone is encouraged and invited to attend this very special event. We will be starting in the library straight after recess from 11:30 a.m. After a special presentation in the library we will open up our incredible classrooms up until lunch. Parents are welcome to picnic with their children for lunch to conclude our special Open Day.

The teachers will be running class based gymnastics on Thursdays so please ensure your child has some appropriate clothing for this fantastic opportunity.

Mr Nulty is organizing a special event for the school to celebrate National Tree Day on Friday the 25th of July. Everyone is welcome to join us from 2:00pm at school.

Our students will be formally demonstrating their Public Speaking Skills in the classroom early this term. Selected students will present at the School Assembly on the 15th August. This will be a very exciting event so please join us if you can.

Will we be sending raffle tickets home in the next few weeks as part of our fundraising commitment for Royal Far West Charity. We need some prizes so if you are able to support the school with this please contact Mr Mason on 65632096 asap. Prizes will be drawn at our fundraiser community breakfast on the 29th August. Please encourage everyone to attend. We will be asking for a gold coin donation for breakfast on the day. Royal Far West Charity will be providing crucial Speech Therapist support to our school via Video Conferencing for some of our students. This is a critical resource for our kids that we cannot access on the Island regularly. All the evidence and data on oral language acquisition demonstrates that regular ongoing expert speech therapy support is the most effective process to address areas of difficulty with speech pronunciation long term. Please support this very important fundraiser for our kids.

After School Tennis – After School Tennis will continue from week 5, the 11th of August. Mrs Wilson's group will start on Monday 11th of August. Mr Mason's group will be training on Wednesdays from the 13th of August. This will provide some great lead up work and experience before the P&C intensive school holiday Tennis Camp with Greg Alchin.

What an exciting term ahead!

Thanks Trev Mason
