We had a fantastic start to education week where we got to show off our classroom environments and demonstrate first-hand the positive things that happen in our school. Thank you to all the families that came along to support this important event. We have sent raffle tickets home on Monday as part of our fundraiser for the Royal Far West Charity. Tickets are a \$1 each and we have some wonderful prizes. A huge thank you to Island Elegance, the Coral Café, Arajilla, Pinetress, and Capella for offering to sponsor our fantastic prizes. The prizes are a dinner for 2 at Pinetrees, A Friday Fish Fry lunch for a family of 4 at Pinetrees, a breakfast for at 2 Capella, a dinner for 2 at Arajilla, a \$50 voucher for Island Elegance and a \$50 voucher for the Coral Café. The prizes will be drawn at our fundraiser community breakfast on the 29th August. Please encourage everyone to attend. We will be asking for a gold coin donation for breakfast on the day. We have extra tickets available at the school for anyone who is interested.

Mrs Roberts will be away next week. Ms Turner will be replacing her. We have a P&C meeting this coming Monday from 7:30pm in the library. Please come along and get involved. After School Tennis will start on Monday the 11th of August. Our next School Assembly is on Friday, the 15th of August where our students will be presenting their Public Speaking skills. The day after this on the Saturday, the 16th of August, we will be holding a school working bee to get our school path covered. Please come along and help on the day.

Tree Day – Last Friday Mr Nulty organised for all our students to plant native trees around the school and up near the playground equipment on Lagoon Rd. A huge thank you to Mr Nulty and the LHI Board for all their preparation and support for National Tree Day. The students really enjoyed the experience.

NAVY Visit - Next Friday week on the 8th of August two Navy Heavy Landing Craft will be beaching on the Lagoon around 3pm (as happened in 1974). I think this will be a very exciting experience for the kids. It would be great if families were able to pick up their children 15 minutes early so everyone has enough time to walk over to the lagoon and see the ships land on the beach. We will take any students left over to the Lagoon to watch the event. Can all parents who pick up their children from school please be at the Lagoon (across from the school) at 3p.m. On the Sunday 10th of August, the Bowling Club will be hosting a BBQ lunch for the NAVY visitors. It is BYO catering required but everyone is welcome to attend. The ships will be leaving on the Monday the 11th of August at 8:00a.m. (Of course this is all subject to the weather).

Athletics Carnival - Our Athletics Carnival will be held on Friday, 12th September. I can't wait to see everybody on the day. We are in the final planning stages to organise any support to run some of the events. If you are able to give up some time to help on the day please contact Ms Roberts.

Library Helper's Day - Mrs T hosted our Library Helpers Day last week. A huge thank you to all the parents that were able to attend and help us get all our wonderful resources ready for the kids. This supports the school to provide a range quality texts in our wonderful library.

Canteen Update - Please remember to use the updated price list and indicate what you are ordering. We will no longer be providing the juice in a cup option as the orders for this were limited and the juice in the bottle only lasts a week after opening.

Interest Groups - We are in our 3rd round of Interest Groups today. Thank you to our community helpers for supporting our school and providing the wonderful opportunities for our students to engage in activities and learning experiences outside of the normal curriculum.
